Show Protocol

- This show will be held outdoors regardless of weather. Appropriate clothing and footwear for running is recommended. Rain gear, water for your dog and shade cover is always advisable.
- There will be NO grooming at the Show Site. Please be ready when the class is called into the ring.
- The Judge will decide based on Entry size if/when there will be a lunch break.
- Dogs must be shown on a loose lead. Use a slip-type collar or fur saver (chain, leather or fabric) and a 6 ft. leash (*leash does not need to be on the “dead ring”*).
- NO double handling from outside the ring. “Stacking” and food baiting is strongly discouraged.
- Dogs will be moved generously to evaluate movement and condition (*change of handler “on the fly” is permitted*).
- Teeth will be examined for correct alignment and dentition. Structure as well as Character, Temperament, and Physical Condition will be evaluated.
- The Judge will look at the class as a group, then direct the handlers to move the dogs around the ring at a brisk trot one or more times. The dogs must move freely on a loose leash.
- A dog that acts aggressively toward the handler or Judge or exhibits extreme shyness, preventing examination, will be excused.
- After the Judge physically examines each entry he/she will direct the handler how to move the dog as well as when to return to the end of the line. After the last entry is fully examined the Judge will move the entire class around the ring. Usually this is the time the dog’s physical condition is examined and will require the dog and handler to maintain an extended amount of time at a brisk trotting pace. If a handler becomes tired he/she is allowed to “hand off” the dog to a 2nd handler. Please be careful not to impede the dog’s movement. If the dog appears to be tired the Judge may motion the entry to the side of the ring.
- Each entry will come forward for its evaluation to be explained by the Judge, then return to its place in line.
- Awards will be presented in the ring after the evaluations have been given.
- Photographs may be taken after all judging is complete. Winners and all others wishing photographs with the Judge will please stay nearby. Spectators are welcome to photograph and video tape the competition as long as it does not interfere with the judging.
